AWESOME BRICKS

**Saturday 15 and
Sunday 16 June 2024**

What's On

Concorde Hangar (10:00–16:30)

Brick Build Zone

Let your creative talents run free with our 70,000 white LEGO® 2x4 bricks.

Age 4+ with adult supervision

AwesomeVille

Welcome to AwesomeVille! Build your dream house and add it to the map to grow this awesome LEGO® town.

Age 4+ with adult supervision

Little AwesomeVille

With big DUPLO® bricks for tiny builders, the wee ones have a chance to build a town of their own.

Under 4s with adult supervision

LEGO® Train Layout

Your chance to be a train driver. Choose your controller and navigate around the tracks.

LEGO® Fan Zone 1

Explore unique models and tiny worlds created by amazing AFOLs (Adult Fans of LEGO®) here and in the Civil Aviation Hangar.

Big Build (10:00–12:45, 13:30–16:00)

Come and help the master LEGO builders make a WWII fire engine. Make a big brick from regular red bricks and we'll add it into our awesome fire engine build. The build will grow over the weekend so come back to see the final fire engine model on display until Sun 1 Sep.

Age 4+ with adult supervision

Stalls

Unique LEGO® art, minifigures and creations will be on sale from LJO Minifigures and Toys 'R' Art.

Civil Aviation Hangar (10:00 – 16:30)

LEGO® Fan Zone 2

More amazing displays from AFOLs (Adult Fans of LEGO®) from across the UK and Europe.

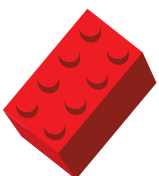

Speed Build Challenge (11:00–16:00)

Race against friends, family and other visitors to see who is fastest to build a simple LEGO® craft. Can you top the leaderboard?

Age 5+ with adult supervision

Minifigure Challenge

Track down our minifigures hiding in the AFOL displays in our Civil Aviation Hangar. See back for details.

Site Map

Food and Drink

Visit the Aviator Cafe, or enjoy a delicious wood-fired pizza from the Big Blu catering van.

Key

	Ticket booth		Accessible toilet
	Parking		Baby change
	Disabled parking		Shop
	Bus stop		Defibrillator
	Catering		Aviator Cafe
	Picnic area		Ask staff for Comet and BAC1-11 boarding times

Minifigure Challenge

Seven minifig space adventurers are visiting our solar system on their holidays.

They can be found hiding in the AFOL (Adult Fans of LEGO) displays in the Civil Aviation Hangar.

Each of them is holding a postcard from a planet they have visited. Find all seven minifigures, write down the planets and work out the missing planet to discover where they are heading to next!
